Built strong. Built to last for heavy traffic

Find value and energy efficiency paired with proven durability in Anthony's 101 Series doors. Designed to offer impressive energy efficiency standards, the 101 Series doors deliver dependability, superior thermal protection against condensation and the wide range of options customers have grown accustomed to with Anthony.

 Anthony®

COOLER AND FREEZER

Anthony's 101 Series sets higher standards for energy efficiency and performance in reversible cooler and freezer doors, with narrow door rails available for maximum product visibility. The 101 Series offers energy-free cooler and freezer doors with heat-reflective glass coating for additional energy savings! The 101 Series has been slam tested to 500,000 cycles and is DOE compliant.
