

Model 101 International Series

Our flagship door has proven durability for long-life and heavy traffic, and robust construction that ensures years of reliable performance. Standard features include tempered safety glass, frame heaters, T-8 pre-wired light fixtures, along with five 27” deep white or black epoxy-coated flat shelves per door with matching price tag molding, galvanized steel posts, and shelf brackets. The Anthony Energy Controller is a required add-on. All prices are subject to change without notice.
